

Doubling the Life of Your Farm Machinery

depends simply on ordinary care and protection when not in use.

An Implement Shed will protect your machinery from the relentless attack of the elements—it will make your machinery run more easily, do better work and cut repair bills to a minimum.

The Implement Shed illustrated is easily and quickly built and becomes a permanent improvement when built of

WHITE PINE

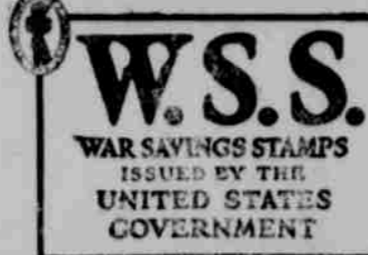

A White Pine Shed will last for generations without repair. White Pine stands the weather without warping or twisting or rotting. Every board stays just where you put it. That's why White Pine is the cheapest in the long run, even if it costs a little more at the start.

And White Pine is so light and the grain so smooth that you'll enjoy working with it.

Practical working plans, specifications and a complete bill of material for the Three-Walled type of Implement Shed—or for any other farm building—will be furnished on request, together with our estimate of its cost.

Let our experience help you.
Our future business depends
on your absolute satisfaction.

The Doctor Away From Home When Most Needed.

People are often very much disappointed to find that their family physician is away from home when they most need his services. Diseases like pain in the stomach and bowels, cholic and diarrhoea require prompt treatment, and have in many instances proven fatal before medicine could be procured or a physician summoned. The right way is to keep at hand a bottle of Chamberlain's Colic and Diarrhoea Remedy. No physician can prescribe a better medicine for these diseases. By having it in the house you escape much pain and suffering and all risk. Buy it now; it may save life.

SIDEWALK TAX.

Notice is hereby given that the sidewalk tax for sidewalks built up to June 1st, 1918, are now due and payable at my office.

All sidewalks not paid for by July 1st, 1918, will be spread upon the city tax roll and collected then.

Please call at the city hall and pay the above tax at once.

Dated, Alma, Michigan, June 1st, 1918.

Catarhal Deafness Cannot Be Cured
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarhal deafness, and that is by a constitutional remedy. Catarhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Halls' Catarrh Cure acts thru the blood on the mucous surfaces of the system. We will give One Hundred Dollars for any case of Catarhal Deafness that cannot be cured by Halls' Catarrh Cure. Circulars free. All Druggists, 75c.

4th OF JULY MONEY

Do you want to get some extra money for Fourth of July expenses? If you do, sell your waste, such as old Rubber, Scrap Iron, Rags and Metals to E. Berman & Son, and you will have the necessary coin.

Old Waste is Helping to Win the War

The munition makers are using tons and tons of old waste daily in the manufacture of material to defeat the Huns. Do your share by selling to the junk man all you have.

If you have a large enough amount we will call with our truck and get it.
